UNITED STATES MARINE CORPS

MOS 6483

Aircraft Electronic Countermeasures Systems Technician, Helicopter, IMA

OVERVIEW:

The "Road Map to Success" is a training initiative to give every Marine a <u>guideline</u> from which to plan their career. Each MOS Road Map details the MOS Training, PME, Voluntary Education, and Billets <u>recommended</u> for each rank. These Road Maps <u>"should not"</u> be utilized by supervisors for performance evaluation of a Marine such as Proficiency/Conduct Marks or Fitness Reports, but as an option to enhance their future both in the military and beyond.

Upon graduation from MOS school, Marine receives a brief on:

Future MOS courses, MCI requirements, PME requirements, and the availability of college courses.
